FAQS

Can you help me log in/reset my password?

First, be sure you are entering the correct email address associated with your account, and that you are including the full email address.

If you can't remember your password, you can choose "forgot password" which will send you an email in minutes. Check your junk or spam folder if you don't receive the email.

When will I get my Authorization to Test (ATT)?

You may receive your ATT same day and up to 3 days after submitting your application and it will be sent by email. If you are audited, need a name changed or need special accommodations, your ATT will take longer and depends on the receipt of documentation. If you do not receive your ATT within 1 week, contact MSNCB by telephone or email certification@msncb.org [3] immediately.
