

CMSRN Resources ^[1]

MSNCB is proud of the nurses who have taken that extra step to validate their knowledge and skills by becoming certified in their specialty field.

The Certified Medical-Surgical Registered Nurse (CMSRN®) credential recognizes that the highest standards of medical-surgical nursing practice have been achieved.

We welcome you to browse through the resources and opportunities available to you as part of the MSNCB certified community, like nurse appreciation days, volunteer opportunities, or grants for recertification.
