

Host an AMSN Certification Review Course at Your Facility ^[1]

Post Date:

Jul 17, 2012

Would you like to help nurses at your facility prepare for the CMSRN certification exam? The [Academy of Medical-Surgical Nurses \(AMSN\)](#) ^[2] has an easy, effective way for you to host a Medical-Surgical Nursing Certification Review Course through their On-the-Road program.

The Certification Review Course is a 2-day event offering 14 contact hours. AMSN will work with you to schedule dates that meet your needs. All you have to do is give us a few choices at least 3 to 4 months prior and AMSN will find a qualified AMSN expert to accommodate your needs.

AMSN provides the course, continuing nurse education (CNE) contact hours* and certificates, course handouts for reproduction, and handles all faculty travel expenses as part of the one flat fee (hotel accommodations not included).

As the host, you provide hotel accommodations for the instructor, the meeting room and AV, registration processing, and reproduction of the handouts for each participant. Promotion of the course is primarily your responsibility, but AMSN will advertise the course on its Web site, www.amsn.org ^[2], and in their monthly e-newsletter.
